Well-read.

For years, we've been your source for the latest on quantum physics, particle separation, and third world political systems. We know you like that. But when you're ready for something with fewer pictures, the University Book Store has the perfect title. From Achebe to Zola, we've got your interests covered.

Plus, the top five books on the *New York Times* Bestseller List are 25% off every day. The University Book Store also carries the *American Poetry Review* and the *New York Times Book Review.* Books and books about books. A refuge for readers.
