

HEY,

---

*Sujata Bhatt*

your photographs  
of Indian temples are incomplete.  
Where's that man I saw everyday  
    laughing  
at the clean  
Brahmin's children  
who were afraid of him?  
Where's that man  
with the swollen elephant leg  
    who sits by the pillar  
        crawling with gods and flies?
