Fundamental Change in Practice Coming

Fee for service

- Paid for “doing things”
- More services ➞ more revenue
- Hospital based at present

Population Health

- Fixed payment per patient
  not per procedure
- Providers assume financial risk
- Requires drastic
  rethinking delivery structure
UI Positioned for Change

UI Health Care well positioned for health care reform

• Integrated healthcare system
• EMR, Telemedicine, eHealth
• Team-based care, IPE
• Well positioned to practice evidence-based medicine
• Emphasis on patient safety and quality

Both primary care and subspecialty care needed in IA going forward as partnership
UI CCOM 90th Percentile in Nation
