About the Author

MARC LINDER is Professor at the University of Iowa, specializing in labor law. Dr. Linder has taught at universities in Germany, Denmark, and Mexico, and was an attorney in the Farmworker Division of Texas Rural Legal Aid. He is author of a dozen books, including three published by Greenwood Press: The Employment Relationship in Anglo-American Law: A Historical Perspective (1987), Farewell to the Self-Employed: Deconstructing a Socioeconomic and Legal Solipsism (1992), and Projecting Capitalism: A History of the Internationalization of the Construction Industry (1994).
