BP will put $20 billion into escrow for Gulf spill

News Alert: BP to put $20B in escrow account for gulf oil spill victims
12:27 PM EDT Wednesday, June 16, 2010
-------------------

BP and the Obama administration have reached a preliminary agreement that the oil company will place $20 billion in an escrow account to be administered by Kenneth Feinberg, a White House official said. Feinberg also oversaw payments to families of victims of the Sept. 11, 2001, terrorist attacks.
