award it--maybe give folks a chance to say something beforehand)

Government Relations

Push to get people to contact legislators to fund IMLS
Still need to pressure legislators to make sure they're not changing their minds
National Legislative day is beginning of may

Other announcement: ILA nominating committee looking for board members and a VP/pres elect

Other Business

Bylaws specify that elected members of the board cannot serve consecutive terms (should we change this?)

Consensus is around changing this, but looking into changing the structure to allow re-election rather than changing to longer terms for other things.

Committee Chairs--established practice is 1 year, but not technically required to only serve that one year. Eligible for re-appointment.

Contacting Legislators - possible to have a postcard making session or letter writing party at ILA-ACRL conference

Design a postcard to have printed to be filled out
Ask ILA if it's okay to use our budget

Go to March for Science! ACRL is an official sponsor!

Mary Heinzman moves to adjourn Cara Stone seconds
Meeting Adjourned at 10:52 AM CST
