Traveling Culture

"Mr. Arnold is a man of rare platform gifts, possessing a vein of humor as well as of pathos, both of which are irresistible."-- Grand Rapids Herald.

Julian B. Arnold, Traveler and Author

Privileged in opportunities, Mr. Arnold aided in the success of the expedition of Sir Henry M. Stanley which discovered the course of the Congo; and later was actively interested in the archaeological explorations of Egypt. During the Great War Mr. Arnold was engaged by the Illinois State Council of Defense to
