Keep happening.

Oh less
than we would like
them to. They shrink
like cheap material in the wash
puckered by history.

Even
with all those believers,
continents of excited women,
empirical children
eating brown rice.

But it would take
so many now. Saviours
just as wonderful in life
as they're reported after.

Ask any specialist
in ecstasy. He'll falsify
the facts because
they matter.

Someone
is always on the way
to end the world,
restoring Paradise.
