## ON GIVING UP ADVICE

Sometimes I forget what you're supposed to do after you  
Pack up the troubles in an old kit bag;  
Or is it *your* old kit bag?

And sometimes I forget where to brighten the corner,  
Or why button up the overcoat or count the blessings;  
Or is it *your* corner, overcoat, blessings?

Advisors never listen to themselves.  
I suppose it is always *your*;  
And anyhow the advice is dated now.
