<tr>
<td>------------</td>
</tr>
<tr>
<td><strong>Category 1</strong> (Paper is brittle and inflexible. Pages are breaking completely away from spine or have extensive damage or loss throughout book. Most pages have edge breaks and corners missing, darkening of substrate. Loose or damaged clippings and ephemera. Bindings suffering damage or abrasions. Very fragile. Restriction of use recommended.)</td>
</tr>
<tr>
<td><strong>Category 2</strong> (Paper is brittle and inflexible. Some pages broken from spine at front and back sections, although pages in the center remain intact. Many pages have edge tears, and there are missing pieces on edges or corners throughout. Loose or damaged clippings and ephemera. Bindings suffering damage or abrasions. Limit use.)</td>
