ADMISSION.—Students are admitted at any time, though it is desirable that they should enter at the commencement of a term. Candidates for admission must be prepared to present satisfactory testimonials of good moral character; and those coming from another institution, a certificate of regular dismissal.

LOCATION.—The University is located at Iowa City, and occupies the spacious building erected for a State House. Another large building, designed for public halls and lecture rooms, is nearly completed. The site is a beautiful and commanding one, embracing an extensive campus highly ornamented with groves of native forest trees.

APPARATUS AND CABINET.—The University is now furnished with a very complete Philosophical and Chemical Apparatus, a well selected Library to which all the students have access free of charge, and a Cabinet of Natural History that has been increased during the past year by extensive and valuable additions.

EXPENSES—The price of Board in private families varies from \$1.50 to \$2.50 per week. A number of students by renting room and boarding themselves reduce the cost of board to less than one half of the above amount.

The Board of Trustees have abolished the tuition fees, but each student on entering any of the departments of the University is required to pay in advance a Matriculation Fee of \$5 per session. This will cover all the expenses for tuition, with the exception of that for instruction in Instrumental Music which will be \$8 per session.

Four students from each county will be received without payment of the Matriculation Fee; two in the Normal Department and two in the other departments of the University, on presenting recommendations signed by the County Superintendent, the County Judge and the Clerk of the District Court for the county in which the student so recommended resides.
