IMPORTANT NOTICE TO OUR READERS:

Welcome to the first open-access online issue of the *Walt Whitman Quarterly Review*. With this inaugural number in our new format, we take an exciting step toward realizing Whitman's dream of creating a truly democratic literature. For democratic literature to function effectively, he knew, all citizens needed access. Now the contents of every issue of *WWQR* are available to everyone worldwide who has access to the Web. As access to the Web continues to grow, access to *WWQR* grows with it. Paid subscriptions to *WWQR* are now a thing of the past: everyone who wants to read what we publish is a subscriber, and your subscription is free.

Current paid subscribers have options for filling out their subscriptions. They may request back issues to fill in their collection of print issues: we will send one back issue for every issue that you are owed on your current subscription; or, we will email you a full PDF version of the new issues that you are owed (request this option by email at wwqr@uiowa.edu). Current subscribers also have the option of simply donating the rest of their subscription to *WWQR* to help support the journal: upon request, we will gladly supply a receipt for tax purposes.

We are excited about this new era of *WWQR*, and we hope you enjoy the expanded menu of options, including substantially increased length of issues, full-color features, and a new design that nonetheless maintains the traditional feel of our first thirty-two years. Many thanks to Wendy Robertson, Stephanie Blalock, and Heidi Bartlett of the University of Iowa Libraries for their invaluable help in guiding our transition to open access. Here's to a new/old journal for the digital age, dedicated to the continuing exploration of Walt Whitman, his work, and his enduring influence.
