had been in New England, more Puritan than the settlers from the South. They and their descendants became progressive farmers, bankers, lawyers, promoters of railroads, businessmen, members of school boards, mayors of cities, members of the legislature, and one a Governor of the State.

The little old lady who sits among her keepsakes at Fond du Lac has seen all this happen. These were her people, handing down from generation to generation the qualities which made them resist persecution in France, led them, perhaps as refugees, to England and from there to Connecticut, and finally brought them to the new frontier in Iowa.
