BREMER COUNTY.—We have been informed by a gentleman from Bremer that that county is settling up rapidly with an intelligent and industrious population. The County Seat has been located at Waverly, seventeen miles north of Cedar Falls. At the latter place there are now six stores, all doing a good, and we trust profitable business. The counties of Buchanan, Black Hawk and Bremer are among the best in the State, and emigrants will not be disappointed in finding good locations in those counties unless they be very hard to please.—*Dubuque Daily Herald, January 17, 1854.*
