COUNCIL BLUFFS FERRY ACROSS MISSOURI RIVER

This Ferry chartered by the Legislature of the State of Iowa, and licensed by the Superintendent of Indian Affairs, has been in successful operation for the last year. We are now prepared with good boats and experienced watermen to cross emigrants with safety and despatch. The location and facilities of this crossing are too well known to require a description at our hands. The fact of its being under the eye of the Agent and approved by the Indians to whom we make Semi-Annual payments for the privilege of having a road through their country, ensures their good will towards the Emigrants. The North side of the Platte River is now acknowledged to be the Healthiest, Nearest and Best route to the gold mines. We can cross at Council Bluffs, one hundred or more teams per day having three good boats.
