SAM SAMPSON

from *An Arena of Reflected Caches*

medicinal benefits require the elimination of the illicit goodbye
when one eye closes, another opens: to claim it has ended you get a feeling of joy

games that do not register frown and wear thin,
like a constant user of a skin boat we require transportation

today however, requires no such materials
answers seem almost certainly right,

traces of breeze spin our windmill boat, its singular power
constructed at the mouth.
