Hosted by Iowa Research Online

represented a large number of well known Iowa persons. There are four equestrian statues showing Gen. Grenville M. Dodge, Gen. John M. Corse, Gen. M. M. Crocker and Gen. Samuel R. Curtis. There are four life-size representations of Iowa men, namely: Infantryman, Shelby Norman; sailor, Ensign W. H. C. Michael; artilleryman, Capt. H. H. Griffiths; cavalryman, Lieut. James Horton.

Upon the monument there is a series of plaques showing the faces of Iowa soldiers and sailors as follows: W. W. Belknap, Ed Hatch, E. F. Winslow, J. B. Weaver, D. B. Henderson, N. W. Mills, J. C. Parrott, R. P. Clarkson, J. B. Sample, S. A. Rice, W. T. Shaw, C. H. Smith, T. S. Wright, J. R. Reed, W. H. Merritt, J. F. Hartman, C. L. Matthias, Wm. Vandever, Samuel Duffin, F. M. Drake, C. A. Stanton, E. C. Haynes, G. A. Stone, John Scott, J. A. Williamson, John W. Noble, A. H. Sanders, J. M. Hedrick, J. L. Geddes, S. M. McFarland, W. H. Kinsman, S. G. Hill, J. B. Dorr, D. S. Wilson, and Chas. Foster.

At the time of the enlargement of the Capital park, plans were made for removal of the monument to a more sightly place on the plaza east of the capitol. The commission that built the monument made a strong effort to secure a different location, but the General Assembly had fixed the original location of a site partly on ground formerly used for the temporary capitol, and there it has been allowed to remain.

### EARLY MONEY TROUBLES

The *Milwaukee Sentinel* cautions immigrants from the east to bring their own bank notes along with them, and not exchange them with the brokers for western funds. New York and New England money is as good as gold throughout the west—10 or 20 per cent better than notes of chartered Banks of that region, and not to be compared with "Wildcat." Our friends will govern themselves accordingly.—*New Yorker*, New York, June 16, 1838.
