New on the Shelves
New on the Shelves

"New on the Shelves" is a list of recent additions to the collections of the State Historical Society of Iowa. It includes manuscripts, audio-visual, and government records recently acquired or newly processed that we think might be of particular interest to the readers of the Annals of Iowa. The list also includes published materials added to either library that are not reviewed elsewhere in some issue of the Annals. The "DM" or "IC" at the end of each entry denotes whether the item is held in Des Moines or Iowa City.
