Jane Campagna moved that the slate be accepted, Rachel Crowley seconded the motion, and the motion carried.

Nominating Committee
Pollitz and Chris Neuhaus figured out that the ILA/ACRL Web site includes a calendar for planning subdivision events and elections, etc., and they encouraged the Executive Board to follow the calendar as closely as possible.

Spring Conference:
Jane Campagna gave an update on last spring's conference in Dubuque. Thirty-five people had attended the preconference dinner and 103 people had attended the Conference itself. Claudia Frazer reported that she had secured Liz Bishoff, Director of the Colorado Digitization Project, as keynote speaker for next spring’s conference in Pella. The theme of the conference will be "Scanning the Past, Digitizing the Future."

Other Business:
John Pollitz updated the Board on the outcomes of the two Strategic Planning Sessions that were held on July 9th at Cornell College and on September 26th at the University of Iowa. There was some discussion about forming 3 ad hoc committees to further address strategic issues. This will be discussed in greater detail at future meetings and at the Business Meeting in Spring 2004.

Changes to the bylaws, as were discussed at the 2nd Strategic Planning Session on September 26th, were introduced. Most of the changes involved editing and wording. Susan Moore made a motion to approve the bylaws as discussed, Ellen Neuhaus seconded the motion, and the motion was passed.

The Business Meeting Agenda for the next day was discussed.

Next meeting
The next meeting was set for Friday, November 21st with a location to be announced at a later date.
