5. Other Business

   a. ILA Conference and Business Meeting

      The business meeting will be on 10/13 at 4:30pm. Sara is working on an agenda and will share it on the listserv. Executive board members should be prepared to report or designate a reporter. The major business will be the proposal for changes in the dues structure.

   b. ILA Planning Day

      Several executive board members will be attending planning day. The meeting will focus on strategic planning as well as fall plans. Sara said that the chapter might consider a pre-conference workshop on project planning and management. Amy said that the chapter previously considered one for succession planning. Cara would like to see a program on diversity and inclusion. ILA will be considering input from members.

   c. Improving Communication with Members

      Sara explained a discussion that began on the chapter Facebook page. A member is interested in knowing more about executive board activities, particularly minutes and reports. Sara will post links to IRO so members can find the minutes. Anne Marie noted that member have to go out to find the information, push v. pull. Andrew said that the blog posts could be pushed out to the listserv. Cara wondered if there are growing pains from transitioning from the newsletter to the blog. Carrie suggested a compromise of a round up email of current events and blog posts. Andrew said that the EC committee could put that together. It was agreed that a quarterly round up would be adequate.

   d. Organizational Manual

      Amy explained that she would be making some changes in the organizational manual for the fall conference planning duties.

Meeting adjourned at 11:04 am.

Respectfully Submitted,
Jennifer Sterling
