Overview

- Increase our interdisciplinary work together
- Create a cohesive university wide liaison program
- Successes and challenges
Standing committees and task forces
No real sense of community
Easy to make assumptions
Easy to miss out on commonalities and like-challenges
Iowa Framework

- Created by administration in conjunction with liaisons
- A guide in identifying priorities and specifying activities
- New expectations for liaisons, particularly in scholarly communication
- Changing/expanded roles for liaisons

Iowa Research Online (IRO) Iowa Framework for Liaisons: [http://ir.uiowa.edu/lib_pubs/120](http://ir.uiowa.edu/lib_pubs/120)
Liaison Connection

- Site for liaisons to increase communication (SharePoint)
- Includes everyone with liaison responsibilities
- Includes librarians who would benefit from communication with the liaisons
Informal Liaison Meetings

- Regular informal meetings for liaisons to share information
- Share ideas, identify issues, and work to address challenges
- “Unmeetings”
  - Default search screens within EBSCOhost
  - Feedback to IT department on resource discovery system
  - Developed guidelines and recommendations for tutorials
Liaison Events

- Administrators were talking about the interdisciplinary changes occurring on campus - cluster-hires
- Liaison Events in order to give the liaisons time to get to know each other in a fun environment.
  - Team Trivia
  - Liaison Olympics
  - Movie Night

*The events are voluntary and no University funds were used.*
Liaisons were surveyed
Spring 2012

- Overwhelming support of and appreciation for the informal structure of liaison meetings
- Responses to the liaison events were positive
Conclusion

- We have had successes and challenges
- Still need to improve
- We will keep working towards building a better team
