GUIDELINES FOR CONTRIBUTORS

GENERAL CONSIDERATIONS OF STYLE

Essays: Place the title two inches below the top of the page, the author's name two inches below the title, and the text two inches below the author's name. The affiliation of the contributor follows the essay.

Notes, Book Reviews, Bibliographies: These are configured like essays, except the author's name follows the work.

References: Follow The MLA Style Sheet, Second Edition. Mark references in the text with raised footnote numbers, not author-year citations in parentheses. Double-spaced endnotes should follow the essay on a new page headed "Notes."

Do not use Latin abbreviations for repeated citations. Do not condense the names of publishers or titles. Make references complete so a bibliography is unnecessary.

QUOTING AND CITING WALT WHITMAN'S WRITINGS

The standard edition of Whitman's work is The Collected Writings of Walt Whitman, twenty-two volumes published by the New York University Press under the general editorship of Gay Wilson Allen and Sculley Bradley. Citations and quotations from Whitman's writings should be keyed to the specific volumes in this edition whenever possible.

After the initial citation, contributors should abbreviate the titles of the Collected Writings in the endnotes as follows:

PROCEDURES FOR SUBMITTING WORK

Submit two typescripts of your work. To have one returned, include a self-addressed, stamped envelope. Contributors using a micro-computer word-processing program should include a copy of the floppy disc converted to MS-DOS.

Address all correspondence to: Editor, Walt Whitman Quarterly Review, 308 EPB, The University of Iowa, Iowa City, IA 52242. Our telephone number is 319/335-0454. Contributors whose work is published or publishers whose book is reviewed will receive two complimentary copies of WWQR.
The Principle of Life
A New Concept of Reality based on
Walt Whitman’s “Leaves of Grass”
by Philip Akers

Here is Whitman as he has never been seen before. Here is Whitman as Whitman intended! Here, Whitman’s carefully crafted facade is torn away, revealing his tremendous insight into the nature of the universe — an insight that has never been surpassed, not even by the likes of Einstein and Hawking. Here, “Leaves of Grass” is shown to be the greatest of all bibles — a bible fit for the coming millennia.

Washington
Sunday forenoon,
April 28, '72

My Dear Mr. Curtis,

Thanks for your kind contribution & note. The help I seek is for Lossi Fitzgerald Tasistro — he has paralytic fever & has had a miserable winter, cold & hungry — (I have myself been absent great part of the winter) — but he is now up & better — your kind & will try and in ameliorate his condition — Walt Whitman
