GUIDELINES FOR CONTRIBUTORS

GENERAL CONSIDERATIONS OF STYLE

Essays: Place the title two inches below the top of the page, the author’s name two inches below the title, and the text two inches below the author’s name. The affiliation of the contributor follows the essay.

Notes, Book Reviews, Bibliographies: These are configured like essays, except the author’s name follows the work.

References: Follow The MLA Style Sheet, Second Edition. Mark references in the text with raised footnote numbers, not author-year citations in parentheses. Double-spaced endnotes should follow the essay on a new page headed “Notes.”

Do not use Latin abbreviations for repeated citations. Do not condense the names of publishers or titles. Make references complete so a bibliography is unnecessary.

QUOTING AND CITING WALT WHITMAN’S WRITINGS

The standard edition of Whitman’s work is The Collected Writings of Walt Whitman, twenty-two volumes published by the New York University Press under the general editorship of Gay Wilson Allen and Sculley Bradley. Citations and quotations from Whitman’s writings should be keyed to the specific volumes in this edition whenever possible.

After the initial citation, contributors should abbreviate the titles of the Collected Writings in the endnotes as follows:

In this hour long recording, Bruce Noll presents Whitman's poems in the same personal manner through which he has communicated the poet's work to audiences for years. Since 1970 Noll has brought the poetry of Walt Whitman to life in PURE GRASS, his dramatic interpretation of Leaves of Grass. In recent years this program has become well recognized for its excellent representation of the spirit of Whitman. PURE GRASS has been seen by thousands of people in eleven states in the past three years at colleges, high schools, community theatres and conferences.

Send $11.00 per tape to: Bruce Noll, 2634 E. Devon St., Tucson, AZ 85716. Information on PURE GRASS by request.
