GUIDELINES FOR CONTRIBUTORS

GENERAL CONSIDERATIONS OF STYLE

Essays: Place the title two inches below the top of the page, the author's name two inches below the title, and the text two inches below the author's name. The affiliation of the contributor follows the essay.

Notes, Book Reviews, Bibliographies: These are configured like essays, except the author's name follows the work.

References: Follow The MLA Style Sheet, Second Edition. Mark references in the text with raised footnote numbers, not author-year citations in parentheses. Double-spaced endnotes should follow the essay on a new page headed "Notes."

Do not use Latin abbreviations for repeated citations. Do not condense the names of publishers or titles. Make references complete so a bibliography is unnecessary.

QUOTING AND CITING WALT WHITMAN'S WRITINGS

The standard edition of Whitman's work is The Collected Writings of Walt Whitman, twenty-two volumes published by the New York University Press under the general editorship of Gay Wilson Allen and Sculley Bradley. Citations and quotations from Whitman's writings should be keyed to the specific volumes in this edition whenever possible.

After the initial citation, contributors should abbreviate the titles of the Collected Writings in the endnotes as follows:

PROCEDURES FOR SUBMITTING WORK

Submit two typescripts of your work. To have one returned, include a self-addressed, stamped envelope.

Address all correspondence to: Editor, Walt Whitman Quarterly Review, The University of Iowa, 308 English Philosophy Bldg., Iowa City, IA 52242-1492. Our telephone number is 319/335-0454. Contributors whose work is published or publishers whose book is reviewed will receive two complimentary copies of WWQR.
From the Cambridge Studies in American Literature and Culture Series

Walt Whitman’s Native Representations

Ed Folsom

Moving through Walt Whitman’s career four times from four different perspectives, this book investigates several major cultural developments that occurred during his lifetime—the development of American dictionaries, the growth of baseball, the evolution of American Indian policy, the development of photography and photographic portraits—and tracks the ways these cultural actions became essential components of Whitman’s innovative poetics. Resisting the usual critical temptation to present a totalized, one-dimensional Whitman, this study views him instead as multiple and contradictory, a gatherer of discordant tones and clashing approaches form a variety of surprising cultural arenas. In such cultural activities, Whitman found not his poetic subjects so much as his poetic tools and techniques.

45357-7 Hardback $54.95
Poet-Chief
The Native American Poetics
of Walt Whitman
and Pablo Neruda

James Nolan

Defines a common voice in the poems of Neruda and Whitman that is closely related to the oral tradition in American Indian poetry.

"An ambitious and exciting book, Poet-Chief is a helpful, organized, sensible fresh addition to scholarship."
