New on the Shelves

“New on the Shelves” is a list of recent additions to the collections of the State Historical Society of Iowa. It includes manuscripts, audio-visual materials, and published materials recently acquired or newly processed that we think might be of interest to the readers of the *Annals of Iowa*. The “DM” or “IC” at the end of each entry denotes whether the item is held in Des Moines or Iowa City.

Published Materials

*Note:* Once per year, in the Fall issue, we list separately in this section all of the books processed since the last such listing about specific locales (towns or counties), schools, and churches, listed alphabetically by town or school name. Full publication data will be included for local and school histories; only the names of churches and the years covered will be included for church histories.
