MILITARY MOVEMENT AGAINST SALT LAKE

St. Louis Mo., Feb. 20, 1858.

The Independence correspondent of The Republican under date
of the 16th says, the Salt Lake mail arrived last night. Con-
ductor Dearer reports snow from one to six feet deep on the
mountains. Weather intensely cold. He left Camp Scott January 1. The troops were in good spirits, earnestly wishing for
good weather and reinforcements to make a descent on Salt Lake
City. From Mormon prisoners and straggling Utah Indians
Johnson is well advised as to the movements of the Saints. Active
preparations continue for the resistance of troops in the spring.
Their municipal regulations are very stringent. Suspicion fastens
on everybody the least inclined to favor the actions of the United
States government.
