Chaldaic Oracles 1

There is something you should know.
And the right way to know it
is by a cherrying of your mind.

Because if you press your mind towards it
and try to know
that thing

as you know a thing,
you will not know it.
It comes out of red

with kills on both sides,
it is scrap, it is nightly,
it kings your mind.

No. Scorch is not the way
to know
that thing you must know.

But use the hum
of your wound
and flamepit out everything

right to the edge
of that thing you should know.
The way to know it

is not by staring hard.
But keep chiselled
keep Praguing the eye
of your soul and reach—
mind empty
towards that thing you should know

until you get it.
That thing you should know.
Because it is out there (orchid) outside your and, it is.
