Chaldaic Oracles 1

There is something you should know. And the right way to know it is by a cherrying of your mind.

Because if you press your mind towards it and try to know that thing

as you know a thing, you will not know it. It comes out of red

with kills on both sides, it is scrap, it is nightly, it kings your mind.

No. Scorch is not the way to know that thing you must know.

But use the hum of your wound and flamepit out everything right to the edge of that thing you should know. The way to know it

is not by staring hard. But keep chiselled keep Praguing the eye
of your soul and reach—
mind empty
towards that thing you should know

until you get it.
That thing you should know.
Because it is out there (orchid) outside your *and*, it is.
