The photographs on our covers this year are by Terry Evans of Chicago, Illinois. The work of Ms. Evans, who specializes in midwestern landscapes, has been widely published and exhibited, including at The University of Iowa. The front cover of this issue carries “Prairie Burning” (Saline County, Kansas, May 1990) and the back, “East of Crosby, North Dakota, 1997.”

Send subscriptions, submissions, and inquiries to The Iowa Review, The University of Iowa, 308 EPB, Iowa City IA 52242. Please see our ad in the back for more information. We read manuscripts from September through March, or until we fill issues for a year ahead, then we return everything until the following September. We prefer single, not multiple submissions and ask that you state as much. We will read what we assume are multiple submissions only as we are able. SASE required.
