The images on our covers this year are photographs by Terry Evans of Chicago, Illinois. The work of Ms. Evans, who specializes in midwestern landscapes, has been widely published and exhibited, including at The University of Iowa. This cover features “Rotational Grazing” (1996).

Send subscriptions, submissions, and any inquiries to The Iowa Review, The University of Iowa, 308 EPB, Iowa City, IA 52242. Please see our back ad for more information. We read manuscripts from September through March, or until we fill issues for a year ahead, then we send everything else back unread and begin again the following September. We prefer single, not multiple submissions and ask that you state as much. We will read what we assume are multiple submissions only as we are able. SASE required.
