Allen M. Hart In Retrospective, 1965-1999
Artwork by Allen M. Hart

"Human existence is viewed as a horror-filled abyss by this gifted artist showing mixed-media drawings. His figures are seen in seemingly endless anguish—anguish they themselves have brought on. Grotesque, disfigured, fraught with evil, they diabolically engage in a symbolic dance of death. George Grosz hovers over this work, but it is strong, disquieting and splendidly executed."
- John Gruen

Selected Poems (1959-1999)
George Dickerson

This remarkable book of selected poems celebrates the re-emergence of one of America's most lyrical poets. In love and war, he explores life's vagaries with passion, wit, grace and an almost elegiac compassion.

THE CREAM CITY REVIEW

Over the years, no matter how the generations of editors have changed, it's retained its own identity—an interest in energy no matter what style it appears in, and in humor and taking chances—which makes it an unpredictable magazine. —Stuart Dybek
