1) Auditor of State. Originals of Articles of Incorporation, By Laws, and Fidelity Bonds for Savings and Loan Associations, ca. 1890-1970's. 3 cubic feet.

2) Board of Control of State Institutions, State Architect. (Henry F. Liebbe, State Architect, 1898-1941.) Correspondence, 1905-1909. 1 cubic foot.
   Includes Architect's Reports and Estimates and correspondence concerning bids, specifications and progress of work from this active era of Iowa institutional construction. Some personal and miscellaneous correspondence includes copies of letters from Liebbe to such men as Chicago architect A. K. Adler and inventor Thomas A. Edison.

4) Board of Pharmacy Commissioners. Correspondence, Applications for Itinerant Vendors' Licenses, Court Records, etc., ca. 1880-1922. 1.5 cubic feet.
   Includes some fascinating letterheads of 19th century peddlers of cure-all medicines, lotions, and the like. This is amusing documentary evidence of the proverbial American "snake-oil" salesman.
5) Department of Public Instruction. Veterans’ Education Division. Sample training programs for Veterans, etc., 1953-1969. 1 cubic foot.

6) Secretary of State. Land Office. Surveys, Appraisals and Sales of abandoned river channels, islands, and drained lakes done according to various acts of the Iowa General Assembly. Various Townships and Ranges. ca. 1850-1935. Bulk, 1910-1930. 1.5 cubic feet.

Includes correspondence, reports of appraisers, engineers and surveyors’ field notes, plats, and maps, public notices of sale, deeds, etc.
