Bibliography of Iowa History, 1983-1984
Bibliography of Iowa History, 1983–1984

Compiled by Patricia N. Dawson

This bibliography is a listing of works on Iowa published in 1983 and 1984 and is a continuation of the 1981–1982 list published in the Annals of Iowa 47 (Winter 1984). Included in this list are some 1981–1982 items that were omitted from the earlier list. As before, brief annotations are used when the title does not sufficiently reveal the subject matter.

I would like to thank David Hudson and Earl Rogers of the University of Iowa and James Leonardo of Drake University for supplying me with some of the entries. The bibliography follows the subject arrangement which David Hudson and I devised for a larger work—a bibliography of Iowa history covering the years 1952 through 1986—which is scheduled for publication by the State Historical Society of Iowa and Iowa State University Press in December 1988.
